Happy Father's Day

With all my love, _____

Different ways to treat Dad for Father's Day

The month of June is filled with many different celebrations. Once summer arrives in June, schools shut down for a few month's worth of vacation and most recreational attractions, such as amusement parks and boardwalks, begin operating at full capacity. June also is the month to show dads how much they are loved and appreciated.

This year Father's Day takes place on Sunday, June 21, and marks the 110th

anniversary of this day for dads. Even though Father's Day began as a regional event in the state of Washington, nearly 60 years later it would be recognized as a national holiday across the United States. Father's Day also is commemorated elsewhere in the world at various times of the year.

According to the most recent census data and statistics, there are 8.6 million fathers and father figures in

Canada and 72 million in the United States. The following are some ways to treat dads this Father's Day.

Participate in his hobby

Dad likely has some favorite hobbies, such as playing a favorite sport, boating, hunting, woodworking, or restoring a classic car. Asking to join in to learn the ropes of his favorite hobby can be an ideal way to spend time with Dad and show you care.

Tackle his chores

Provide Dad a weekend off from his normal tasks around the house if they are within your skill set. Volunteer to mow the lawn, weed the garden, run for groceries, or get the car washed. You also may want to help him finish a project he started but hasn't yet completed.

Take in a show or a game

Maybe Dad has a favorite team he follows or a comedian he loves to watch.

Purchase tickets so you can go in person. If that's not possible, make home viewing a special event by clearing a few hours of your schedule and setting up a comfortable viewing area. Make some special snacks and stream his favorite programming right at home.

Give him 'his' space

Dads often make sacrifices for their families, and this could mean compromising on his comfort and pleasure

to ensure everyone else has what they need. Create a spot that is entirely his own. This may involve renovating the basement or garage for hobbies or hanging out. Even a free-standing shed in the backyard can be billed as a 'Dad Zone,' giving your father a place to which he can retreat for some peace and quiet.

Start thinking of special ways to show Dad he deserves top billing.

One Pot Cabbage Casserole

One of my favorite ground beef and cabbage recipes that's budget-friendly, uses just a few ingredients and is made in one pan.

INGREDIENTS

- 2 lbs. ground beef
- 1 tsp creole seasoning
- 1 onion, chopped
- 1 cup rice, uncooked
- 3 large handfuls of roughly chopped cabbage
- 1 - 8 oz. can tomato sauce
- 2 cups of water (I just use the tomato sauce can twice)
- 1 - 14 oz. can diced tomatoes, undrained
- 1 cup shredded cheese (I used Colby Jack)

Nutrition Information: YIELD: 6
SERVING SIZE: 1 Amount Per Serving
CALORIES: 549
TOTAL FAT: 33g SATURATED FAT: 14g TRANS FAT: 1g UNSATURATED FAT: 15g
CHOLESTEROL: 153mg
SODIUM: 1032mg
CARBOHYDRATES: 14g FIBER: 2g SUGAR: 4g PROTEIN: 47g

DIRECTIONS

- Add ground beef to large sauce pan (lid will be needed). Season ground beef with about 1 tsp of creole seasoning and brown ground beef. Add onions to cook while beef browns. Cook until onions are mostly clear. Drain off grease.
- Once onions are clear, add rice, cabbage, tomato sauce, 2 cups of water (or use tomato sauce cans) and diced tomatoes. Stir.
- Let it come to a boil and then reduce heat to medium low and cover to simmer for about 20 to 30 minutes or until rice is done and cabbage is soft. Do not lift lid before 20 minutes to make sure rice cooks well.
- Once cooked, top with cheese and cover with lid to melt a few minutes.

Notes
You can use a can of Rotel instead of diced tomatoes if you prefer spicy food.
